Dear Resident   **Re: Communal Decoration to Vaughn House Ballot Colours**   **By hand**

We can confirm that the communal areas will shortly undergo decoration works to the above block. In order for Standage & Co to complete these works, we wish to ballot residents to decide on the new colour of these areas and we will go with the **MAJORITY** of the colour chosen.

Residents are provided with different colour options which we will require your vote back by **Thursday 14th April 2022**. A sample of the stairwell wall colour options have been painted on the communal staircase wall by Flat 4. All metal railings on the communal walkways on the front elevation and private balcony handrails will also be decorated and the colour options are located on the staircase handrail by Flat 4. The stairwell, communal walkway and private balcony soffits (ceilings) will be redecorated in white.
